Sight-in Grid

T1 · A4

Aim at the centre diamond. Use the 10 mm grid to see where your shots land and how far to adjust your sights.

Grid squares = 10 mm

50 mm scale check

Print at 100% / Actual size. Turn off "Fit to page".
If this bar doesn't measure 50 mm, your printer scaled the page.
Use a safe backstop. Pellets can bounce back from hard surfaces, so wear eye protection.
Wash hands after handling pellets.
